Dear Ms. Griffey,

Thank you for your email. I receive dozens of surveys each year from a wide variety of interest groups and political action committees. I believe a much better indicator of my policy stance is in my voting record.

During my time in office, I have amassed an extensive voting history relating to a variety of issues for which I can be held accountable. I invite you to view my voting history at <http://lis.virginia.gov/> to see my stance on any issues that you're interested in.

Thank you for understanding. If you wish to discuss a legislative matter with me, or if you have questions about my position, you may contact me by email at kirk@kirkcox.com or by phone at [\(804\) 526-5135](tel:8045265135).

Regards,

Kirk Cox

Hello,

Voices for Virginia's Children respectfully requests that you respond to the eight questions in this candidate survey on issues relevant to child well-being. The survey is being sent to all candidates for the 100 seats in the House of Delegates, Lieutenant Governor and Attorney General. All answers received by the deadline will be published verbatim on our website, vakids.org, beginning in August. We request that your full response to each question not exceed 300 words. If a response is over our word limit we will only publish the first 300 words.

To meet our publication deadline, **your responses must be received by no later than July 14th**. If you do not respond, the publication will state, Did Not Respond. It is important to note that once you start the questionnaire you must complete it. Therefore you can [click here](#) to view the questions before beginning the questionnaire!

Voices for Virginia's Children is a statewide, privately funded, non-partisan organization that champions public policies that improve the lives of Virginia's children. As a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code, we do not endorse any candidate for public office.

We hope that you will take this opportunity to communicate your views on how you as a state legislator will deal with policy and investments regarding children and their families! If you have any questions feel free to email or call at the contact below.

[Click here](#) to be taken to a SurveyMonkey with the 8 questions on child well-being and to complete your responses. The topics covered in the questionnaire include: early learning, school to prison, health insurance, foster care, mental health, opioid epidemic, education, and collaboration.

Thank you!

Emily Griffey
